## IVDR - Individual Vehicle Distance Record

No Gap miles - Record ALL miles the truck is driven On or Off Duty.

Document odometer reading when crossing state/jurisdictional line, loading, unloading or stopping for rest.

If additional space is needed total page and start new sheet.

<u>Follow month end cut offs</u> - the last day of every month EVEN IF your trip is not complete. Document your ending odometer and calculate mileage through that day then start new sheet.

Calculate Jurisdictional total summary Monthly, Quarterly & Annual per Unit
