Revised April 2022

Important

Apportioned Registration Renewal Application Checklist

For mailed apportioned applications

To prevent processing delays, please take the time to carefully check your application before mailing.
Did you:

- ___ 1. Provide a **contact person** and **telephone number**?
- ___ 2. Show the **physical Texas address of the registrant** on the application?
- ___ 3. Check the **“Type of Operation”** on the application?
- ___ 4. Provide only actual distances and total mileage on the **Schedule B**?
- ___ 5. List on the **“Additions”** page, in the correct weight group, any vehicles that have been added to the fleet but were not shown on the preprinted **Schedule A**?
- ___ 6. Verify that all vehicle information is accurate and legible and the complete **Vehicle Identification Number (VIN)** is provided?
- ___ 7. Provide the **Carrier Responsible for Safety (CRFS) USDOT# and Tax ID# for each vehicle on the Schedule A**?
- ___ 8. Check the box indicating if the **CRFS is expected to change** during the registration year?
- ___ 9. Indicate any **weight changes** on the preprinted **Schedule A** and/or complete for form **MCD-357**?
- ___ 10. Indicate any **deleted vehicles** with a **D** or **changes** with a **C** under ‘actions’ on the preprinted **Schedule A**?
- ___ 11. Provide proof of payment of the **Federal Heavy Vehicle Use Tax** (Form 2290, Schedule 1) for vehicles registered for 55,000 pounds or more in any jurisdiction?
- ___ 12. Provide **current proof of liability insurance**? Note: Non-trucking or bobtail coverage is not acceptable.
- ___ 13. **Sign the Schedule B** where indicated?
- ___ 14. **Keep copies** for your records?
- ___ 15. **Complete and sign** form **MCD-467**?
- ___ 16. If applicable, update USDOT#

Knowingly providing false or incorrect information on an application filed with the department subjects you to a third degree felony under State Law.

Online Renewal Checklist

For online registration at <https://irp.txdmv.gov>

- ___ 1. Provide a **contact person** and **telephone number**?
- ___ 2. Show the **physical Texas address of the registrant** on the “Editing an IRP Account” screen?
- ___ 3. Provide only actual distances and total mileage on the “Jurisdiction” screen?
- ___ 4. Verify all currently apportioned vehicles in the fleet are displayed in the “Units” section?
- ___ 5. Provide the **Carrier Responsible for Safety (CRFS) USDOT# and Tax ID# for each vehicle**?
- ___ 6. Select the box indicating if the **CRFS is expected to change** during the registration year?
- ___ 7. Make necessary vehicle **changes** or **deletions**?
- ___ 8. Submit required materials via email to your preferred Regional Service Center or to MCD_Renewals@TxDMV.gov. Email addresses are listed on page 10 of this booklet.

Full Reciprocity Plan

Effective January 2015, the International Registration Plan (IRP) began operating under a new amended plan called the Full Reciprocity Plan (FRP).

Changes to the Plan will bring more efficiency, equity and flexibility to IRP by granting full reciprocity for all apportioned vehicles in all Member Jurisdictions and removing from the Plan any provisions related to estimated distance.

FRP can be summed up by placing registrants into two categories; Established Fleets and New Fleets.

Established Fleets – Fleets renewing with a registration effective date of January 2015, or later will report only actual distance traveled during the reporting period on the renewal application. Registration fees will be based solely on the actual distance traveled in member jurisdictions. Once renewed, all member jurisdictions will be displayed on the cab card, giving the freedom to travel to all member jurisdictions during the registration period.

New Fleets – Fleets opened on or after January 2015 will pay registration fees to all member jurisdictions based on Texas' Average Distance Chart unless the vehicles accrued actual distances during the past 18 months. In the case of actual distance, registration fees will be based solely on the actual distance traveled in member jurisdictions. All member jurisdictions will be displayed on the cab card, giving the freedom to travel to all member jurisdictions during the registration period.

Once a fleet has been renewed or opened under FRP, jurisdictions will not need to be added throughout the registration period; all member jurisdictions will be displayed on the cab card.

For additional FRP information please visit the IRP, Inc. website at: www.irponline.org

Texas Department of Motor Vehicles

HELPING TEXANS GO. HELPING TEXAS GROW.

Multi-Year Intrastate Fleet Registration

An online Multi-Year Intrastate Fleet Registration Program is available to individuals and businesses registering a commercial fleet of Intrastate (Texas only) non-specialized plated units. This program makes it convenient for registrants to keep vehicle registration and inspections current.

A commercial fleet is a group of at least 25 units that do not have another plate designation such as: apportioned, permit, forestry, exempt, or handicapped. The fleet may include multiple vehicle classes such as passenger cars, trucks, buses, mopeds, motorcycles, token trailers, combination power units, and trailers.

The Multi-Year Fleet Registration Program makes managing fleet inspections and registrations easier.

Other benefits include:

- Online registration - no more mail or trips to purchase registration.
- Payment by electronic check (ACH transfer), credit card, or by money order or check at a TxDMV Regional Service Center (see page 10).
- Streamlined registration renewal process - you pick the month and year that you want the registration to expire.
- Inspection checks can be processed in bulk instead of one by one.
- Inspection notices - 75 days prior to the annual renewal date you will receive notification about which vehicles have current inspection and which vehicles need an inspections. 45 days prior to the annual renewal date TxDMV will send a second notification for the vehicles still in need of an inspection.
- Multi-Year Specialist able to assist you with the registration and titling process.
- Personal selection of registration period - one year to eight years maximum.
- Multiple fleet in one account; for example, 1,200 units split into 12 fleets with 100 vehicles expiring each month. Or, break down fleets into locations - renewal plates can be mailed directly to the appropriate location.
- Cost savings on employee productivity - employees who were processing registration and inspections can instead work on other important business needs.
- No more registration stickers - the expiration month and year you choose is imprinted on the plate, a new plate is mailed upon renewal.
- Selection of standard plates or TxDMV approved custom logo plates with your company name or logo.

How to Apply

Apply for Multi-Year Fleet Registration by sending an email to CFAM@TxDMV.gov or call (800) 299-1700, selection option 5 then option 2.

Simplifying USDOT Registration

Unified Registration System

The Unified Registration System (URS) is a new electronic on-line registration system that will streamline and simplify the Federal Motor Carrier Safety Administration (FMCSA) registration process and serve as a clearinghouse and depository of information on all entities regulated by the FMCSA, including motor carriers, brokers, freight forwarders, intermodal equipment providers (IEPs), hazardous materials safety permit (HMSP) applicants/holders, and cargo tank manufacturing and repair facilities. The URS will combine multiple registration processes, information technology systems and forms into a single, electronic online registration process.

FMCSA requires all entities under its jurisdiction to update their information every two years.

You are required to provide this update every two years even if your company information has not changed, your company has ceased interstate operations since the last update, or is no longer in business and the FMCSA has not been notified.

Failure to complete a Biennial Update will result in deactivation of your USDOT Number and may result in civil penalties of up to \$1,000 per day, not to exceed \$10,000.

Filing schedule: Each motor carrier or intermodal equipment provider must file the appropriate form at the following times:

USDOT Number ending in:	Must file by last day of:
1	January
2	February
3	March
4	April
5	May
6	June
7	July
8	August
9	September
0	October

More information, along with instructions on how to file, is available at:

<http://www.fmcsa.dot.gov/registration/updating-your-registration>

Texas is a PRISM Compliant State

How does PRISM affect the apportioned registration process?

Texas apportioned registration assists the Federal Motor Carrier Safety Administration (FMCSA) by collecting information to:

- Identify the Motor Carrier Responsible for Safety, the CRFS (CRFS - the entity the FMCSA ultimately holds accountable for, but not limited to, hours-of-service, safety regulations, vehicle maintenance, and drug and alcohol testing).
- Determine the safety fitness rating of the vehicle/operator prior to issuing vehicle registration

The FMCSA requires all entities under its jurisdiction to update their information every two years. You are required to provide this update every two years even if your company has not changed its information, has ceased interstate operations since last update, or is no longer in business and you did not notify FMCSA. Updates can be completed online via the FMCSA online registration system with your USDOT PIN, or by filing an MCS-150 form.

FMCSA encourages applicants to register online. For applicants without internet access, FMCSA can mail instructions, forms, and other materials designed to assist in the off-line registration process; call FMCSA at 1-800-832-5660.

What information is needed to register?

If the IRP account registrant and Carrier Responsible For Safety (CRFS) are the **same**:

- Update USDOT registration information
- Provide USDOT Number and FEIN for each vehicle
- Indicate if CRFS of each vehicle is expected to change during the year

If the IRP account registrant and CRFS of any of the vehicles are **different**:

- Update USDOT registration information (MCS-150)
- Provide CRFS USDOT Number and FEIN for each vehicle (each vehicle could have a different USDOT and FEIN)
- Indicate if CRFS of each vehicle will change during the year

Renewal Form Schedule A – Vehicle Equipment List

Schedule A is used to compile vehicle information on all apportioned vehicles in the fleet.

Vehicle Equipment List (Schedule A)

Review all vehicles listed on Schedule A for accuracy and provide any missing information.

Changes to a vehicle or vehicle deletions must be marked in the action box using the following codes:

- C = Changes to vehicle
- D = Delete vehicle

Any vehicle that has been added to the fleet but is not listed on Schedule A may be listed on the additions page under its appropriate weight group provided the unit has a Texas title.

Carrier Responsibility for Safety

Ensure a valid USDOT Number and FEIN or SSN is listed for each vehicle. This USDOT and Tax Identification Number will generally belong to the company the vehicle is leased to. In the event of a short-term lease or no lease, the TxIRP account holders USDOT and FEIN or SSN must be used.

Weight Groups

Weight Groups are identified by vehicle type (truck tractor, truck, bus or trailer), combined gross vehicle weight (CGVW) and description.

Weight variances greater than 10 percent of the registered CGVW will require submission of a business plan and the TxIRP Cab Card Weight Schedule form MCD-357 for approval.

Vehicle type abbreviations used in TxIRP:

- TT = Truck Tractor
- TK = Straight Truck
- ST = Semi Trailer
- FT = Full Trailer
- BS = Bus

Special Uses

Some jurisdictions calculate their registration fees based on type of vehicles. They are:

- Carnival - MI
- Dump Truck - MD, WA
- Farm Truck - MD, MS, OH
- Household Goods Carrier - MI, NY
- Pump/Drill/Crane - UT
- Logging Truck - MN, WA
- Wrecker - IN, MD, MI, QC
- Small Miles/Special Use - CO

Renewal Form Schedule B – Information

Please verify the physical and mailing address on your renewal form. The physical address of the registrant's place of business must be in the state of Texas and cannot be a Post Office Box.

Tax ID (FEIN or EIN)

A FEIN is required for each vehicle in the fleet and can be completed online at www.irs.gov. For additional contact information for local IRS offices, please see page 15.

USDOT

The USDOT Number is the identification number that the FMCSA assigns to each motor carrier that conducts interstate operations.

All carriers operating under their own authority are required to provide their USDOT Number. FMCSA requires USDOT information be updated biennially by completing a Motor Carrier Identification Report (MCS-150).

USDOT applications and updates can be completed online at: www.fmcsa.dot.gov or by contacting the Federal Motor Carrier Safety Administration at (800) 832-5660.

Texas MCR

The Texas Department of Motor Vehicles (TxDMV) Motor Carrier Registration (MCR) number is also known as a Texas DMV number and is issued to motor carriers operating intrastate. This number may be found on the MCR Insurance Cab Card Certificate.

UCR

TxDmv requires the IRP applicant to provide a copy of the applicant's receipt under Unified Carrier Registration (UCR) to prove the applicant is currently registered under UCR, if applicable. For assistance with UCR, please call 1-833-UCR-PLAN (1-833-827-7526) or email helpdesk@ucr.gov. To register for UCR, please visit www.ucr.gov.

Distances

List actual distances next to corresponding jurisdiction traveled during the reporting period. To prevent renewal processing delays, actual distances must be reported in whole numbers and cannot be estimated, guesstimated, nor projected. Texas must ask for distance records and/or log books to verify any irregular reported distances. The registrant will be required to provide justification, in writing, of Irregular Mileage (see Glossary, page 17, for additional information). A statement for mileage is NOT acceptable alone; trip summaries supporting the mileage entered must be submitted. Multiple jurisdictions indicating rounding or reporting of one mile will be flagged.

All vehicle movement must be reported, this includes both interJurisdictional and intraJurisdictional travel, including loaded, empty, deadhead, bobtail, off road and personal distances.

If you are reporting GPS captured distances to the nearest tenth mile, do not round up or down. Delete any numbers after the decimals.

If actual distances were not accrued during the reporting period; list average distances (page 12) for all 59 member jurisdictions. Along with the application, submit a business plan supporting the lack of actual distances during the reporting period.

To prevent denial or cancellation of apportioned registration, every vehicle must continue interJurisdictional travel.

Unique Cab Card Weights

Alabama - QUAL displays for vehicles over 80,000 lbs.

Quebec - Number of Axles displays for up to 6 axles,
6+Axles displays for more than 6 axles.

Buses

Cab cards for buses may display the number of seats or QUAL in lieu of CGVV.

Proof of Heavy Vehicle Use Tax (HVUT), IRS Form 2290

Due to federal law, proof of payment of the HVUT is required when registering vehicles with a gross weight of 55,000 lbs. or more in any jurisdiction. Please ensure that the VIN for each unit listed on the Schedule 1 (Form 2290) matches exactly as shown on the IRP Renewal Application Schedule A (vehicle equipment list). Proof of payment is not required on new or used units within sixty (60) days of the date shown on the receipt for application of Texas title, or vehicles registered below 55,000 lbs.

Acceptable forms of proof of payment for the IRS Form 2290:

- Receipt-stamped IRS Schedule 1 (Form 2290) for the correct tax period, or
- IRS watermark showing proof of online filing of the Schedule 1, Form 2290 showing “IRS e-file” and showing the date payment was received “Received MM/DD/YYYY”, or
- A copy of the front and back of canceled check used for payment must be submitted with a Schedule 1, Form 2290 on which the stamp or watermark is illegible

Schedule 1 (Form 2290) must accompany your renewal or the application will be rejected.

Questions regarding HVUT Form 2290 should be directed to the IRS at (866) 699-4096 or to a local IRS office (see page 15). Forms and instructions are available online at www.irs.gov.

Proof of Financial Responsibility

The State of Texas has a mandatory financial responsibility law. The most common proof of

financial responsibility is a liability insurance card issued by the insurance company.

Other acceptable types of proof include current insurance policies and binders, pool coverage documents and certificates of self-insurance, bond, etc. Non-trucking, cargo and bobtail insurance are not acceptable.

If you are registered as a motor carrier with the TxDMV, you may submit a copy of your motor carrier insurance cab card certificate.

For leased vehicles where the lessor provides the insurance, include a copy of the lease agreement with your renewal application. Please submit legible photocopies for proof of financial responsibility.

Cab Card

All registrants must display current registration cab card in the registered unit. Registration of renewal credentials; base plate and cab card may be carried and displayed in the unit until the new registration year begins.

When & Where to File Your Application

You may complete your renewal online at <https://IRP.TxDMV.gov> or return all forms to the address shown below for processing.

Renewals, proof of financial responsibility, MCD-467 and proof of HVUT payment should be mailed to:

**Texas Department of Motor Vehicles
Commercial Fleet Services Section
PO Box 26440
Austin, Texas 78755-0440**

Overnight Mail Address:

**Texas Department of Motor Vehicles
Commercial Fleet Services Section
4000 Jackson Avenue
Austin, Texas 78731**

NOTE: The Commercial Fleet Services Section will **not** accept any renewals faxed or submitted in person. Renewals and supplements can be processed online or by a local TxDMV Regional Service Center.

InLine.

OnLine.

The *fast lane* to IRP renewal

Tired of waiting in line?

Don't want to drive any extra miles?

You won't have to, thanks to the Texas Department of Motor Vehicles' online service, TxIRP, that will let you renew your apportioned registration credentials through the convenience of the internet.

TxIRP is a secure service for fast and easy management of your IRP account. You can access TxIRP anytime, anywhere: 24 hours a day, every day of the year.

You pay for your IRP transactions via electronic check (ACH) or credit card and print credentials from the convenience of your computer.

To find out more, go to:

www.TxDMV.gov

or e-mail us at: MCD_Renewals@TxDMV.gov

You can also contact any Regional Service Center (page 10) or call us at (800) 299-1700, options 5 and 1. Please have your apportioned account or plate number available.

The TxIRP online fast lane is located at: <https://IRP.TxDMV.gov>.

<https://IRP.TxDMV.gov>

Texas Department of Motor Vehicles

Reg. Year

Texas International Registration Plan Cab Card Weight Schedule

Type of Transaction: Original Renewal Supplement

Account Name: Account Number: Fleet Number: Supplement Number:

The following schedule should be completed by all Texas-based carriers and should indicate the weight you wish to prorate in that jurisdiction. Vehicles must be listed in the same unit order as on the original application or supplemental application. If this form is completed in conjunction with an apportioned registration renewal application, you need only complete this form if you are making changes to the registered weights of vehicles already in the fleet.

List the total combined Gross Weight of the power vehicles or combination of vehicles (Power Units Only).

*TAC: Tax Payer Assistance Center

Note: The phone numbers in the chart above are not toll-free for all locations. When you call, you will reach a recorded business message with information about office hours, locations and services provided in that office. If face-to-face assistance is not a priority, you may also get help with IRS letters or resolve tax account issues by phone, at (800) 829-1040 (individuals) or (800) 829-4933 (businesses).

Glossary

Apportionable Fee - periodic recurring fee or tax for registration, license, or weight.

Apportionable Vehicle - any power unit that is used or intended for use in two or more jurisdictions and is used for the transportation of persons for hire or designed, used, or maintained primarily for the transportation of property, and:

- a) has two axles and a gross (or registered gross) vehicle weight over 26,000 lbs. (11,793.401 kilograms), or
- b) has three or more axles, regardless of weight, or
- c) is used in combination, and the gross vehicle weight of the combination exceeds 26,000 pounds (11,793.401 kilograms).

Note: Non-Apportionable vehicles: a recreational vehicle, a vehicle displaying restricted plates, a bus used in the transportation of chartered parties, or a government-owned vehicle, are not apportionable vehicles. A bus used in the transportation of chartered parties, may be registered under the Plan at the option of the Registrant.

Audit - the physical examination of a registrant's operational records, including source documents and accuracy, to verify distances reported in the application for apportioned registration.

Base Jurisdiction - Jurisdiction where an applicant applies for apportioned registration or a jurisdiction that issues apportioned registration to a registrant.

Established Place of Business – must have the following qualifications:

- a) a physical structure located within the base jurisdiction.
- b) owned or leased by the applicant or registrant.
- c) open for business and staffed during regular business hours (one or more employees on a permanent basis for trucking related business).
- d) operational records maintained at this physical structure.

Average Distance - The distance assigned to a jurisdiction by the base jurisdiction when actual distances are not present.

Irregular Mileage - Multiple jurisdictions indicating rounding or reporting of one mile will be flagged. The registrant will be required to provide justification, in writing, of Irregular Mileage. For more information on Irregular Mileage, please review our website (<https://www.txdmv.gov>).

Reciprocity - the reciprocal grant by one jurisdiction to another of operating rights or privileges to properly registered vehicles registered by another jurisdiction.

Registrant - a person to whom a vehicle is registered.

Registration Year - the twelve-month period the registration issued to a registrant by the base jurisdiction.

Rental Fleet - vehicles offered for rent with or without drivers by the rental owner.

Reporting Period - 12 consecutive months beginning July 1 through June 30 of the calendar year immediately preceding the beginning of the registration year. If the registration year begins in July, August, or September, the reporting period will be the previous 12 month period.

Residence - the status of an applicant or a registrant as a resident of a jurisdiction.

Total Distance - all distance operated by a fleet of vehicles in member jurisdictions during the reporting period.

Restricted Plate - has a time, geographic area, distance, or commodity restriction or a mass transit or other special plate issued for a bus leased or owned by a municipal government, a state or
